Set built and painted by members of the Smarden Players.

The action of the play takes place on board the 'Hadforth Bounty', a four-berth cabin cruiser for hire on the upper reaches of the River Orb. Were it the Thames, it would probably be in the region of Maidenhead.

Act I

Our action begins well after ten at night on a mild August evening...

INTERVAL

Act II

It is another glorious morning on the fourth day of the cruise. We are further upstream than we were by fifteen to twenty miles, near Stumble Lock.
